

A Regular Santa Claus

If it is true that the most appropriate Xmas gifts are the ones that are practical—the ones that last and bring usefulness with them—then certainly this store is a regular Christmas tree. Beginning with the

Warranted Clothes

And running through the entire stock of men's and boys' wear there are hundreds of practical and useful gifts. Come and see how well we have provided.

Brigham Young's Widow Dies

SALT LAKE CITY, December 11th.—Amelia Folsom, youngest widow of the famous Mormon prophet and leader, Brigham Young, died at her home today. She was 72 years old.

Tobacco To Be Forced Lower

"The Tobacco World" makes this startling statement: "It is predicted by a large manufacturer that the lowest grade Burley will yet sell for five cents a pound and the highest for not more than 15 cents—figures which have not prevailed for at least the last five years."

Murderer Gets a Respite

A brief lease on life was given James White, a Negro, sentenced to die on the gallows at Pineville today. He will see one more Christmas, even if it is not a cheerful one. Governor Willson has granted a respite until January 16th.

Sharp Loses Out

J. N. Sharp, District Attorney for the Eastern District of Kentucky, headquarters at Covington, loses his job. In the face of a tremendous fight to prevent his confirmation President Taft will withdraw his name from the Senate and some one else will be chosen. This agreement has been reached at the insistence of Senator Bradley.

COUNTY TEACHERS

Held Business Session and Addressed By Miss Woods On Humane Education

The County Teachers' Association met in the office of Miss Jessie O. Yancey, County Superintendent of Schools, last Saturday afternoon. After the business session, Miss Lida D. Woods responded to an invitation, previously extended, and explained the organization of the Humane Society.

She was given excellent attention, and the address was considered one of the strongest ever presented at these meetings.

A Humane Society will be organized in this city and county and "Bonds of Mercy" will be instituted and the great work of alleviating suffering animals of all kinds will be extended.

Considerable new-made ice was floating in the river this morning.

According to the weekly review of R. G. Dun & Co. the value of farm products this year is being compiled at close to \$9,000,000,000.

The population of New Jersey is 2,587,167, an increase of 34.7% over 1900. Utah has a population of 373,351, an increase of 34.9% over 1900.

To Stop a Train

The cost of stopping a train to allow a lone passenger to get off, a thing which is frequently the cause of heated words between the Conductor and patron, is variously estimated by officials of different roads. According to Signal Engineer J. A. Peabody of the Chicago and Northwestern Railway, the cost of stopping a train of 530 tons and returning to a speed of 50 miles an hour is 42 cents. The cost of stopping a 2,000-ton train from 35 miles an hour is \$1. The time lost for making a stop on a level straight track has been estimated at 145 seconds.

The combined shipment of coal out of the Pittsburgh harbor during the month of November amounted to 167,935 tons, or 4,366,310 bushels.

Three Saving Graces
Guaranteed by Underfeed
Furnaces and Boilers

MONEY
TIME
LABOR

The Underfeed Heating Systems have enabled thousands of users in all parts of Uncle Sam's broad domain to

SAVE 1/2 TO 2/3 OF COAL BILLS

This is well worth anybody's careful attention in these days when the high cost of living is such an important factor.

THE PECK-WILLIAMSON UNDERFEED
FURNACES AND BOILERS

Select this great saving because they are the only heating plants which will burn the cheapest grades of coal successfully. Low-priced slack will yield as much clean, even heat in the Underfeed as costliest anthracite which topfeeds require. The Underfeed Coal-Burning Way is endorsed by all great municipalities as Best for Health. It saves at every point because smoke and gases are consumed and turned into heat units. Ashes are few and the apparatus is easy to manage and operate. Used and endorsed by many Maysville citizens. Write for free booklets and facsimile testimonials today and learn how you can secure more clean, even heat for less money.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for anyone that it fails to cure. Send for list of testimonials.
